School Calendar- We now have a school calendar that will be linked to our soon to be released new website. Please click this [link](#) to view our school calendar.

School Supply List 2022-2023

As you prepare for the school year, please click [here](#) for our school supply list.

Let's Talk Lunch!

Your student will still have the opportunity to bring their lunch this school year. In addition, we are excited to announce our new partnership with Schoolhouse Fare. Please click this [link](#) BEFORE August 3rd to register your student to participate in this program.

School Uniform Update

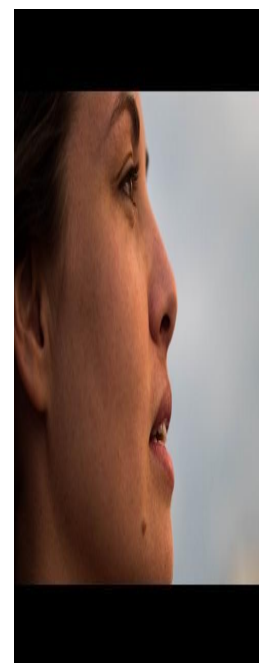

For the 2022-2023 school year, we will continue with our school uniforms. Click [here](#) to view the approved uniform options. If students violate the dress code, they will not be able to go to class. A parent/guardian will need to bring them appropriate clothing or take them home for the day. One exciting change this year, FREE FRIDAYS!!! No uniforms on Friday as long as students stay within dress code.

Principal's Corner

- Excited-** I cannot express how excited I am to embark on this new journey at MAC! I cannot wait to meet all of the teachers, students, and families. It brings me joy to see the talent that each student will showcase throughout this school year. I cannot wait to embrace all of the nuances and teachings from the students and faculty as we grow together. I always say, I learn so much more from the students than I think I can ever teach them. They are definitely the reason why I love what I do! Next week I am excited to reveal our theme for the year. I hope you all will embrace it and be ready to take MAC to the next level as I KNOW we are premier!
- Discipline Expectations** - After meeting with many people over my first days at MAC, overwhelmingly everyone expressed a need for the school to have a clear and consistent discipline code. Although I am sure we will not need to use it with the wonderful students we have in our building, I would rather be prepared than not. Click [here](#) to view MAC's discipline code for 2022-2023. Again, with such a wonderful student population, I am certain we will not even have to refer to it!
- Back to School Planning**
 - Dress Code** - For the 2022-2023 school year, on Free Fridays we ask that students show their creative sides, but please be mindful not to wear anything that advertises any nudity or anything illegal. We also ask just to be mindful that we are in school.
 - Premier MAC Student** - As a faculty, we will be working to create the values of a Premier MAC student. We will be recognizing a student from each grade level each month that exemplifies these values and highlight them on social media and in our newsletter!
 - Bell Schedule Coming Next Week!**

PTO Update

- We are hosting our first PTO meeting of the school year, Thursday August 4th at 6:30pm via Google Meets. We are also accepting nominations for a secretary/treasurer position.
- Clean up day August 7th beginning at 10 am
- We are going to be in need of parents to help MAC thrive this year. We are trying to make a database of parent talents and resources that are available for MAC to use. Are you handy? let me know! Can you sew? LET ME KNOW. Own a restaurant or other business? Please, let us know. Have a green thumb? Literally anything that you think would be helpful to the school, please let me know.
