FIRST DAY OF SCHOOL

**School Calendar-** We now have a school calendar that will be linked to our soon to be released new website. Please click this [link](#) to view our school calendar.

## Updated Academic and Arts School Supply Lists 2022-2023

As you prepare for the school year, please click [here](#) for our school supply lists.

## Lunch Update

Your student will still have the opportunity to bring their lunch this school year. Please click this [link](#) beginning August 3rd with the registration password to register your student to participate in this program.

## School Uniform Update

For the 2022-2023 school year, we will continue with our school uniforms. Click [here](#) to view the approved uniform options. If students violate the dress code, they will not be able to go to class. A parent/guardian will need to bring them appropriate clothing or take them home for the day. One exciting change this year, FREE FRIDAYS!!! No uniforms on Friday as long as students stay within dress code. **Please note: No black, no leggings, and no denim will be approved for uniforms.**

## Principal's Corner

- All Hands on Deck-** Our PTO is sponsoring a Clean Up Day on Sunday, August 7th beginning at 10 am. They are helping us get our school ready to get greet our students with pride. Even if you only have 30 minutes to give, please come out and support this event!
- Early Arrival Fee** - Parents, we will begin to receive students each morning at 7:30 am in the cafeteria. The cost for this service will be \$25/day or \$75 for the week. This fee will be made available to pay in our e-store.
- PTO Update:** We are in need of parents to help MAC thrive this year. We are trying to make a database of parent talents and resources that are available for MAC to use. Are you handy? Let us know! Can you sew? LET US KNOW. Own a restaurant or other business? Please, let us know. Have a green thumb? Literally anything that you think would be helpful to the school, please let us know. Email us at [pto@midlandsartsconservatory.org](mailto:pto@midlandsartsconservatory.org). **Please consider joining the PTO!!!**
- Masks-** Given the present "high" category ranking for Richland County, we want to keep all of our students, faculty, staff, and family safe for the 2022-2023 school year. We are going to follow the current CDC precautions and STRONGLY encourage all students and faculty to wear fitting masks will e indoors regardless of vaccination status. Click [here](#) for more information from Richland County.

## Staff Highlight

## MAC STAFF SPOTLIGHT

If you have not had the opportunity to meet Mrs. Cleckley, you need to stop by the front office and do so. You will always be greeted with a smile! We call her the "doer of all things!" She will never hear her complain and she does what needs to be done to help make MAC THE premier Arts Integrated school in the Midlands. We do not know what we would do without her!
